

## **Upper Room Marriage Preparation Experience**

### **Elements of the Marriage Preparation Experience**

There are 4 main elements of our marriage preparation experience that we expect all engaged couples to take part in:

1. Four pre-marriage counseling sessions, including the Prepare-Enrich inventory (with an offsite professional counselor recommended by UR). The cost for the 4 sessions and the Prepare Inventory is \$435. We strongly recommend that you complete the pre-marriage counseling 3 months prior to your wedding to allow your officiating pastor time to discuss the Prepare results with you.
2. Upper Room Engaged Couples Evening with other UR couples. There is no charge for this event. Engaged Couples Evening is offered a few times a year, depending on # of engaged couples at the time.
3. Minimum of 2 meetings with the pastor who will be marrying you. The number of pastoral meetings is at the discretion of the UR pastor.
4. Complete the StrengthsFinder 2.0 inventory and discuss with your officiant.

Upon completion of all of the above requirements, your Pastor will sign the Reduced Marriage Fee Educators Statement which can be presented when you apply for your marriage license. A total of twelve hours of pre-marital counseling and preparation experience will reduce the marriage license fee from \$110 to \$40.

An initial meeting with the pastor is required in which they will get to know you and cover the details of the process.
